

# BOYS AND GIRLS

*Boys and girls,  
take charge of  
your cultures!  
Take charge of  
your roots!  
But do not stop there.  
A partir destas raízes,  
crescei, florescei, frutificai!  
A poet once said:  
“all the tree’s blossoms come from  
what lies beneath”.  
The Roots,  
but roots facing the future.,  
Projected towards the future.  
This is the challenge that awaits you today.  
Pope Francis*
