

To all the Sisters

Dearest Sisters,

A Blessed Christmas to all of you! May it be a time of joy, hope, light and openness to the “surprises” of God, as we carry in our hearts the yearnings of the world. May it be a Christmas in which the Word, resonating in all its splendor, “takes on flesh” in our concrete existence, touches the depths of our being, generates in us a new mentality, and is transformed into joyous proclamation (cf. EG 149).

I fervently hope that this Christmas we will all experience the beauty of living in Christ, throwing wide to everyone the radiant path to life through every form and language of communications.

My thanks to all our lay collaborators and Pauline Cooperators, who share our Pauline ideal and service to the Church and who, through their dedication, support the proclamation of the Gospel in every part of the world.

With deep affection,

Sr. Anna Maria Parenzan

and the Sisters of the General Government
