

# Death of Fr. Silvio Sassi, Superior General of the Society of St. Paul

*W*ith deep grief, the Daughters of St. Paul commend to the care of God Fr. Silvio Sassi, Superior General of the Society of St. Paul, who died unexpectedly on Sunday, 14 September 2014. We want our brothers of the Society of St. Paul to know we are close to them in this time of sorrow and that we join them in prayer, asking the Lord to invest the darkness of death with the light of the resurrection and eternal life.
