

# Come! Come!

## ***Come!***

*The Holy Spirit  
and the Church, his mystical Bride,  
speak again to the men and women of our time,  
"Come!".*

*Come to meet the incarnate Word,  
who wishes to make you participants  
in his own life!*

*Come to welcome the call of God,  
overcoming hesitation and obstacles!*

*Come and discover the history of love  
which God has woven with humanity:  
He wishes to realise this with you also.*

*Come and savour the joy of forgiveness  
welcomed and given.*

*The wall of separation which existed  
between God and man and among human beings  
has been broken down.*

*Faults have been forgiven,  
the banquet of life has been set for all.*

*John Paul II*
