

*To you, Mary,*

*Queen of Peace,  
we entrust, in faith,  
our preoccupation  
and our prayer:  
that people undertake  
with confidence and decision  
the path of peace!*

*It is the only valid way today  
for the triumph of justice!*

*It is the only path  
worthy of civilization!*

*O Lord, grant us peace!*

*John Paul II*
