

**PAUL**

# **I BLESS YOU, JESUS**

for having given to St. Paul  
a heart so full of love for God  
and for the Church,  
and for having saved so many souls  
through his zeal.

And you, our friend, obtain for me  
an ardent desire to carry out  
the apostolate of the media  
of social communication,  
of prayer, of example, of activity  
and of word, so that I may merit  
the reward promised  
to good apostles.
