

# Repent

**Lord our God,  
help us not to pass our time  
in promoting our selfish concerns,  
whether as individuals  
or as groups, but in serving  
your loving plan.**

**And whenever we go astray,  
grant that we may heed the voice  
of true men and women of God  
and repent in due time,  
lest we be once more overwhelmed  
by destruction and death.**

*Pope Francis*
